

From the Editor

Rainy season and thunder storms have been with us these past few weeks. Each clap of thunder reminds me of the power of our God!

Each Monday for the past 2 months, the camp site has been filled with people preparing the camp grounds for usage for this year's Summer Camps.

Thank you for continuing to read our monthly news and prayer points. We hope you will be inspired to pray for these special camps.

Blessings, Jessica

News & Prayer Points

Pray for the salvation of the attendees of **Otsu Korean Language class**. Hyosoo will be taking over from SeongJae who has run this class for many years.

Many of our team are on **furlough** at the moment, pray for them as they share about Japan with others, and also for those waiting to have checkups and surgery in their home country.

Madi, a new missionary from Australia, is planning to join us here in September – pray for God to provide all she needs to be able to come.

Pray for the **Kusatsu church** building project as they hope to start demolition of the old building next month – for safety of workers and wisdom for those in charge.

SUMMER FUN 2010

Starting from Monday 19th July, our camp site will once again be buzzing with campers and missionaries. Japanese people are so busy with work and school, it is a rare opportunity to be able to spend 2 or 3 full days together – so it is always exciting to see who will come along to our camps. We pray for many non-Christians to come along so that we may be able to share with them the HOPE they can have through JESUS CHRIST!

It takes a lot of effort and creativity to get everything organised for each camp, so please pray for the leaders of the camps, as well as

those in charge of cooking meals for all of us.

Attendance numbers haven't been great the past few years, and as of yet we don't have many applications – please pray for God to 'nudge' people to come along, that their schedules would be free and that they would accept the invitation.

We are believing for God to use these Summer camps to change people's lives and draw them closer to Him.

Pui Yee Lee, a short termmer from Hong Kong joins us here for 2 months – pray for God to use her effectively and that she could meet many people.

Pray for **Jocelyn's English classes** - lately she has had some good conversations. Two women in particular seem very open. Pray for all of these women to surrender to the Lord.
