Thankyou! We always appreciate the prayers that are petitioned for WEC Japan from all around the world! You are a blessing to us.

This month we celebrate with the Izumi Christian House Team in Yamashina, Kyoto. Please lift them up in prayer as they seek to build God's kingdom.

Blessings,

Jessica

News and Prayer Points

Moriyama Church had an opening ceremony for a new building this month. Pray for the Church to grow as they reach out to the neighborhood. Dean and Lillian Kim are missionaries serving there.

Pray for our **new missionaries** as they work hard at learning Japanese. It takes a lot of perseverance and can often be discouraging. Pray for joy as they study and lots of opportunities to practice.

Pray for our field leaders **Martin and Julie Crowhurst** as they serve WEC Japan: for refreshment, wisdom and encouragement.

Pray for the **Christmas outreaches** that many churches are planning for December. They are a great opportunity to share the gospel.

Izumi Christian House Opening Celebration!

On November 3rd we were excited to gather together for the official opening of Izumi Christian House (ICH). The church launched in April 2012, and has since started a worship service on Sunday mornings, as well as many evangelistic outreaches during the week, including Korean class, karate group, dance class, English class, university outreach and Bible study.

Over 100 people gathered together to celebrate the day, including over 20 guests from team members ChungKyu and EonMee Lee's sending church in Korea. They brought with them a team of children who blessed us with a string orchestra performance. We also enjoyed a karate demonstration, beautiful hula dancing, a message from our Japanese leader, an ocarina (traditional Korean flute) performance,

a harp solo, a gallery of ink printings and a gorgeous cake.

We praise God for the joining together of the team of 3 units (Peter Chu (Hong Kong), the Hallam Family (Australia) and the Lee family (Korea)). Pray for unity as they grow as a team.

Will you join us in asking God to bless ICH and to open and soften the hearts of the people of Yamashina so they long to hear about Jesus and the GOOD NEWS!
